Note:

- (1) Students are expected to read all the assigned reading chapters and lecture slides posted on Canvas. Please do not allow yourself to get behind, as each chapter builds on the previous chapter(s).
- (2) Students are required to attempt and complete ALL the questions assigned for the tutorials before each class. Even if your group is not assigned to present that week, all students must be prepared to contribute to the discussions in class.
- (3) Students are strongly encouraged to also attempt the self-study questions assigned and review the solutions carefully to gain stronger understanding of the materials. The self study questions will not be covered in class, however the solutions will be provided to you.
