

Tutorial 1 (Week 2): Annual Report Exploration

- (a) Read the Joint Statement by Chairman & Group CEO at the beginning of the SBS Transit 2024 Annual Report. What key achievements and future plans do they highlight, and how do these reflect the company's core values?
- (b) Refer to the Group Financial Highlights.
- i. What was the total revenue in 2024?
 - ii. Describe the company's revenue trend over the past five years. How does this trend compare with the five-year trend of profit attributable to shareholders?
- (c) Extract the following information from the annual report:
- i. The accounting standards used in preparing SBS Transit financial statements
 - ii. The financial year end of SBS Transit
 - iii. The auditors of SBS Transit
 - iv. State the titles of each of SBS Transit's financial statements.
- (d) Extract the following amounts for the year 2024 from the annual report and state which statement the information is from:
- i. Total reported assets, liabilities and equity.
 - ii. Largest reported current asset and non-current asset, and the amounts.
 - iii. Largest reported operating expense item and the amount.
 - iv. Cash generated from operating activities, investing activities and financing activities.
